

Policy Delivery

I have received my policy on email but hard copy is still awaited. What should I do?

Normally, it takes 2-3 working days for the hard copy to reach you through courier or speed post. You can track the same using the link provided in the intimation mail sent by us. If you wish the policy to be delivered at a particular time, you can contact the courier office and request for the same.

If you still dont receive, then you can put in a service request using the link given below:
