

Refund and Cancellation

What is the procedure for cancellation of the travel policy? Are there any cancellation charges?

In general:

Before Departure: Can be done on request of the insured via mail

After Departure: Can be done on request of the insured via mail but Original Passport verification is a must to check the valid reason.

to pay cancellation charges which vary from company to company towards Administrative Expenses.

2. Request for cancellation of policy should be received prior to expiry of the original Policy.

Cancellation and refund policy of each insurance company given against their respective travel insurance plans on our website. Cancellation charges too are given .
