

Claim Process

What is the procedure to get Reimbursement in case of emergency hospitalization?

- 1 Take admission into the hospital.
- 2 As soon as possible, inform TPA about the hospitalization
- 3 At the time of discharge, settle the hospital bills in full and collect all the original bills, documents and reports.
- 4 Lodge the claim with TPA for processing and reimbursement by duly filling in the claim form & enclosing all original bills/vouchers/receipts.
